“TO UNDERSTAND THE  
WORLD, YOU MUST FIRST  
UNDERSTAND MISSISSIPPI.”

— WILLIAM FAULKNER

## FORWARD

The Library Lounge is inspired by a history of all things Mississippi. Our culture, music, arts and literature are all born out of time of civility and sophistication. Traditionally the cocktail lounge was a place for ladies and gentlemen to go to socialize in a productive and cultured way. Here we hope to re-introduce our guests to experience that time with quality crafted cocktails, fine wines, select micro brews and healthy regional cuisine.

We trust you will enjoy the ambiance of our Belhaven neighborhood lounge and choose to be our guests often.

# INTRODUCTION

---

---

Our spirit, wine and beer selection may be a little different than found at typical lounges. We understand that, and endeavor to intro-duce our guests to products that focus on quality. Please feel free to ask our staff to assist in making selections.

---

---

The pursuit of quality cocktails is an endeavor that takes time, so please be patient with your bartender.

---

---

Smoking is not permitted inside the building, but is available on the outside patio.

---

---

As a regular, we are happy to order your favorite beverage not listed on our drink list. Just let one of our staff know of your preferences.

---

---

Many of our books in the Library are available for sale. Please ask your server, bartender for assistance.

---

---

Please respect others and take or make cell phones calls outside. Feel free to text.

---

---

Our neighbors would like to thank you in advance for leaving quietly.
